

Summerfield Villas

August 9, 2011

Dear Escondido City Council:

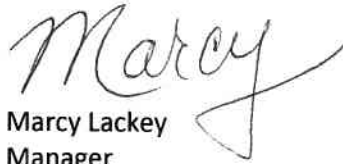

This is just a short note to express my gratitude for our very fine Escondido Police Department. Having been raised in a small town "where everyone knows your name," I appreciate the amount of work a few officers do for such a large population. For the last 3 ½ years I've managed Summerfield Villas, a 55+ Senior community, which is located on the corner of Ash and Grand; and I've seen the quick response of our police department, and their professional attitude; but let me stress that the Escondido responding officers do more than show up to take a report: they get needed results, quickly.

I appreciate the need for all of us to take responsibility for our poor economy, and yes, cut backs are often a "necessary evil," even in ones' own budget, but there is also another philosophy, which can be summed up as, "support the positive," and in this case the Escondido Police department is a positive influence on our small, and growing Escondido community. Ask yourselves, "Without the best, where will our community end up?"

I ask that you support any and all measures asked by our Escondido Police department, which will show your appreciation for the officers who lay their lives on the blue line each and every day.

I thank you, and the Escondido Police Department.

Sincerely,

Marcy Lackey
Manager
